So Much Sidestepping the Cause

COULON IN LONDON New York, Feb. 7.—Joe Fox, bantam-weight champion of Engined and Ireland, has been tentatively matched to meet Johnny Coulon at the Olympiad in London next June, the bout to take place between the 37th and 30th, it is announced. The

Ritchie is the intest appelation applied to the lightweight champion, by reason of his frequent sidestepping of a bout with Tommy Murphy.

There is a huge lump of suspicion rolling among the fistic fans of California that Ritchie is afraid to meet Murphy—and physically afraid of the New York boxer, but afraid to meet him at anything like the lightweight poundage.

When Ritchie fought Ad Wolgast for the title he made at the ringside. He defended the title in a lattie with Joe Rivers at 134 pounds an hour before the boat was scheduled to take place.

At a glance at this ever increasing poundage, the patrons of boxing now say that Ritchie is like Packy Mic-Farland—too heavy for a lightweight and too light for a welterweight. George Stovall, manager of the Kansas City Federal league Packers, is only after leaders of baseball. Stovall recently stated while in Los Angeles, that he would not have a man on the Venicle club, with the exception of Dick Bayless, the speedy center fielder. As Bayless has aircauly signed a contract with the Tigers next season, he will he let alone by Stovall. Stovall says that there are a number of players in Los Angeles who say they have received offers when they haven't.

COACH TO HUGE EFFORT

Tibaca, N. Y., Feb. 7.—The sting of defeat at the hunds of Ten Eyck's Syracuse craw hast year has inspired "Pa" Courtney, "the grand old man of Cornell," to renewed efforts, and the craw to harder work than has been the rule with Cornell carrier for years. Courtney is teaching the same stroke he has used since 1895, the stroke which made Cornell the king of the river in many past seasons.
